

Work From Home Policy

Eligibility

Employees may be eligible for remote work based on:

- Job role
- Team requirements
- Manager approval

Work From Home Days

Employees may work remotely:

- Up to 3 days per week.

Additional remote work requires department head approval.

Availability

Remote employees must:

- Be available during core business hours.
- Attend virtual meetings.
- Respond promptly to business communications.

Equipment

The company may provide:

- Laptop
- Monitor
- VPN access

Employees are responsible for maintaining secure internet connectivity.

Data Security

While working remotely:

- Company data must not be shared with unauthorized persons.
- VPN access is mandatory.
- Public Wi-Fi should be avoided unless secured.
